Above is the scheduled sessions for presentation, discussion and questions for each of the PhD-students belonging to SET. We look forward to an interesting week, and recommend you to join as many sessions as possible, as the comments from our international experts are very valuable.

Each session will follow this structure:

- PhD student presents her/his work so far during 20 minutes (powerpoint – texts should have been sent to all before August 16 2020)
- Discussion with IAB-member 20 minutes
- Q&A session for all participants 20 minutes (focus on what you would like to ask, how to move forward and so on)
- Take away message 5 minutes (summary by PhD-students of the next steps)
